

Remarks

The second Notice of Non-compliant Amendment with respect to Claim 17 and Claim 30 has been carefully reviewed.

The extraneous typographical error in Claim 30 has been deleted. A grammatical error in Claim 23 has similarly also been corrected.

In Claim 17, the amending language (being made of a selected electrically non-conductive material having a density that is less than a density of said first layer, and) from the 2/6/2006 amended version has been added back in so as to match up the texts of the 2/6/2006 and 6/23/2006 versions.

Accordingly, reconsideration and allowance of this application with previously presented Claims 10-11, 16, amended Claims 17, 23 and 30, and previously presented Claims 20-22 and 24-29, are respectfully requested.

No additional fee is believed to be required for this amendment. However, the undersigned Xerox Corporation attorney hereby authorizes the charging of any necessary fees, other than the issue fee, to Xerox Corporation Deposit Account No. 24-0025. This also constitutes a request for any needed extension of time and authorization to charge all fees therefor to Xerox Corporation Deposit Account No. 24-0025.

A telephone interview is respectfully requested at the number listed below prior to any further Office Action, i.e., if the Examiner has any remaining questions or issues to address after this paper. The undersigned will be happy to discuss any further Examiner-proposed amendments as may be appropriate.

Respectfully submitted,

/Tallam I. Nguni/
